

## Working Student (m/f/d) to work on internal development project – Constance, GER

### WHAT DOES 8TREE DO?

8tree develops, produces and sells 3D scanners. Our most successful product is dentCHECK: a handheld system used to measure damage on aircraft. Our customers are airlines and maintenance companies at airports all over the world. We are a German-American startup with sister company in California.

For our growing team at Neuwerk in Konstanz, we are looking for independent working students to work on internal development projects as soon as possible.

### WHAT DOES 8TREE OFFER?

We offer you a positive, international and team-oriented working environment in a stylish office in Neuwerk, Constance.

- ✓ An international team with great personalities and exciting candidates who will appreciate your efforts
- ✓ A lot of creative freedom and responsibility in your daily work and a trusting working relationship with short decision-making processes
- ✓ An innovative product with worldwide customer contact in the aerospace and renewable energies sector
- ✓ Flexible working hours
- ✓ Attractive payment on an hourly basis Interdisciplinary insights

### CURIOUS?

Then we look forward to receiving your resume with a short cover letter to Erik Klaas. If you have any questions about the position, whether in terms of content or organization, please feel free to contact us at any time.

**Application deadline: 22.04.2022**

## Working Student (m/f/d) UX Design for the Cloud

We are seeking a motivated and skilled student to join our team in the field of improving our current user experience, by redesigning elements of our existing 8Cloud.

### RESPONSIBILITIES

- ✓ Being involved in the creation of a better user experience in the cloud and implementing a new standard for cooperate design across the cloud and our scanner software
- ✓ Experiencing the importance of proper designing of cloud-based solutions
- ✓ Learning the usage of various UX Tools
- ✓ Presenting your improvement ideas to the team

### RELEVANT SKILLS

- ✓ Enrolled in a degree in Media Design, or a related field.
- ✓ Working knowledge in the area of designing commercial software
- ✓ Knowledge in UX

### BENEFITS

- ✓ Competitive salary from 15 to 20 Euros per hour depending on experience.
- ✓ Work flexible hours in our Konstanz office or from home.
- ✓ Opportunities for professional development through workshops and code reviews.
- ✓ A supportive and collaborative work environment that lets you play to your strengths.

No matter how many features your product has, if it is hard to use, it is distributed to fail. This is your opportunity to show your design skills and create a user experience that is not only easy to use, but also looks good.
